

Handshake Assignment

Get Hired on Handshake!

The most jobs and internships for students and new grads.

Why should you use Handshake?

- Get Hired – Discover and land jobs and internships
- Get Discovered – Get messages by employers that want to hire you
- Get Connected – Connect with your peers for tips and advice
- Get it all in one place – From career-building resources to events on your campus

Handshake is personalized and curated for you – we provide you with **relevant lists of jobs** we think you should apply for based on your preferences and activity. Delivered straight to your inbox, regularly.

Employers on Handshake are looking for students and new grads only. Get reached out by employers looking for students like you.

Complete your profile. Students with a full profile are 5x as likely to be messaged by employers.
