

Create or edit an existing a resume based on the information in the PowerPoint. If you are using an existing resume make sure it is updated to include information on current employment and Rosedale enrollment.

This is not expected to be a final resume, but will undergo review and editing between you and your instructor before you are required to submit your final copy.

You can submit your resume draft by emailing your instructor or uploading via this link:

If you do not have word processing capabilities, gather the relevant information and complete the following survey or type information needed on a resume in an email and send it to your instructor. You may be required to spend time once class is back in session with your instructor to finalize your resume utilizing a word processing program.
